The difference

The difference is we know the sex swing buyers. The average swing buyer is not interested in low cost cheap products. They are interested in quality and comfort.

Demographics

Most buyers are age **40-65**

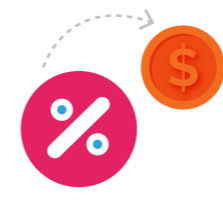

50% of buyers are in the top 25% of income earners

20% of buyer purchase after more than a week - we use long 30 day cookies

Our average order is **\$193**

Average commission per order **\$36**

Affiliate Support:

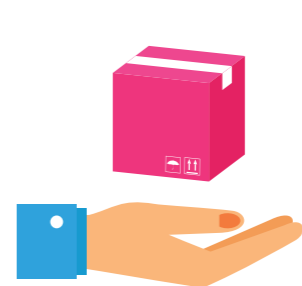

Marketing Mix

Most affiliate marketers focus on door swings because they are low priced items. We focus on quality swings because they are the best sellers.

Sex Swings outsell door swings **116 to 1** based on revenue

Sex Swings outsell door swings **36 to 1** based on units sold

50% of all buyers add **at least 1 accessory** to their purchase pushing commissions up by an average of **\$4 per order**.

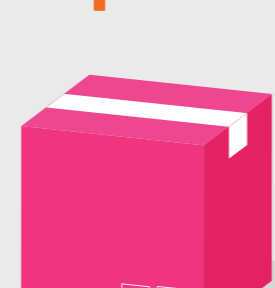

Create a power house page for sex swings

With the help of our team, we can help you create amazing content with an expert point of view. Let's face it, if you create mediocre content about an item that you have never used, your readers can tell. Generic and incorrect information will raise red flags to your visitors, ruin your credibility and harm your conversion rates. But we are here to help you create great content and from an expert point of view.

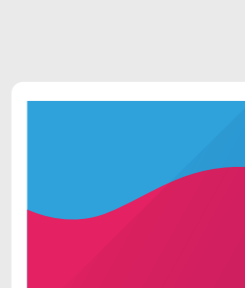

Benefits of our expert content support

Content creation and editing assistance.

Product samples for comparison and first hand knowledge.

Candid custom photos to help facilitate appearance of first hand knowledge.
